[Class Descriptions](#)

Showmanship Class (Chapter 18 – EC Rule book):

The showmanship class shall be judged strictly on the competitor's ability to fit and show a horse at halter. The horse is merely a prop to demonstrate the ability and preparation of the competitor. The ideal showmanship performance consists of a poised, confident, neatly attired competitor, leading a well-groomed and conditioned horse that quickly and efficiently performs the requested pattern with promptness, smoothness, and precision.

Pleasure Class (Chapter 7 – EC Rule book):

A good pleasure horse has a free-flowing stride of reasonable length in keeping with his conformation. He should cover a reasonable amount of ground with little effort. Ideally, he should have a balanced, flowing motion, while exhibiting correct gaits that are of the proper cadence. The quality of the movement and the consistency of the gaits is a major consideration. He should carry his head and neck in a relaxed, natural position, with his poll level with or slightly above the level of the withers. He should not carry his head behind the vertical, giving the appearance of intimidation or be excessively nosed out, giving a resistant appearance. His head should be level with his nose slightly in front of the vertical having a bright expression with his ears alert. He should be shown on a reasonably loose rein, but with light contact and control. He should be responsive, yet smooth, in transitions when called for. When asked to extend, he should move out with the same flowing motion. Maximum credit should be given to the flowing, balanced and willing horse that gives the appearance of being fit and a pleasure to ride.

Horsemanship Class (Chapter 21 – EC Rule book):

Riders will be judged on seat, hands, and ability to control and show horse. Results as shown by performance of the horse are NOT to be considered more important than the method used by the rider. The competitor's overall poise, confidence, appearance and position throughout the class as well as the physical condition of the horse will be evaluated. The judge will ask each rider to work individually. Individual work may be comprised of any maneuvers listed in rule book (General performance Chapter 21).

Trail Class (Chapter 8 – EC Rule book):

The Trail Horse Class is the performance of a safe, sensible, well-mannered horse over a course of obstacles. A well-mannered, sensible trail horse must display the intelligence and ability to carry its rider safely over and through the various obstacles on the course.

Command Class (Chapter 10 – EC Rule book):

The command class is neither a race nor is it a gymkhana event. It is a competition that exhibits the abilities of a well-trained, responsive performance horse. Entries are eliminated one at a time at the discretion of the judge as commands are not executed correctly. Suggested commands are as follows: stop, jog, turn 180 on forehand, turn 180 on haunches, and counter canter.
